Message from the Chief

First and Foremost I would like to congratulate you on your achievement of ordeal membership. Since you are now a full member of the Order of the Arrow you are now entitled to all the rights and privileges of the order of the Arrow. As a new member, you may be curious to what this actually means. In short, you can now come to all lodge events, and on my honor I promise that after ordeal the lodge hosts several events throughout the year that will make memories for a lifetime, and be filled with fun and fellowship for all scouts. But, there are also several more opportunities that the lodge offers, so you have the ability to experience all of the other possibilities that Waguli offers. First, through our dedication to serving the Northwest Georgia Council troops, and preparing its scouts to the best of our ability, you can become an essential part of that Waguli performs within the Northwest Georgia Council. So, I encourage you stay connected with the lodge by following us on social media, and talk with an OA representative to see how you can become involved in the Lodge. Remember that through your dedication and continued service you can serve the council, lodge, community, and ultimately the nation because you hold the immense responsibility of continuing your cheerful service in your everyday lives, so I thank you and look forward to all that you will achieve for the council and lodge. Be sure to check out waguli.com, social media, or the council office to find out how you can find a place for you to become involved in the lodge. I look forward to all that you will become if you stay connected, involve yourself in the opportunities that the lodge has to offer, and then see the benefits that happen in your scouting experience.
